YOU CAN SUPPORT THE RUTH FIRST JEPPE TRUST BY RESPONDING TO ONE OF THE OPTIONS LISTED BELOW

The number of scholarship recipients the Trust can support is directly dependent on the income the fund is able to generate.

The long term sustainability of the Trust is also dependent on whether capital can be generated that will make provision to finance a pupil for the full five years of her schooling or endow sufficient funding for one or more scholarships to be financed out of the proceeds of an investment.

It is therefore vital that sponsors both large and small come to the fore to assist in this eminently worthwhile project.

As an added incentive the Ruth First Jeppe Trust is registered with SARS and is authorized to issue Section 18A Tax Certificates – see the Public Benefit Organisation number above.
