### MESSAGE FROM THE HEADMISTRESS

*"In my African Dream, there's a new tomorrow, a dream to follow.  
All I want is for our heartbeats to be beating just as one"* – Vicky Sampson

I would like to convey my gratitude to all the personnel who make our school one where girls can hope and dream of a better tomorrow. To the academic staff and the administrative staff, your hard work is most appreciated. To all the girls who represented the school in the various activities hosted during the term (as seen in this newsletter), your enthusiasm and dedication are commendable. To those girls who have achieved exceptional standards in provincial and national teams, we are very proud of each one.

Thank you to all the parents who came to support their daughters at sport fixtures and cultural events, it always so wonderful to have you cheering from the sidelines or supporting from the audience ☺ Thank you to all the parents who sponsored items for the various charity drives and Cake and Candy sales, your bold generosity is greatly appreciated and helps us achieve our goals. Thank you too for all the weekly donations of sandwiches for Fairview Primary Children.

Wishing everyone a most relaxing week.

### FUN RUN AND MARKET DAY

The Annual Jeppe Fun Run/Walk on Saturday 12<sup>th</sup> August was the most successful to date with over 1800 people taking part. We had a number of serious runners, but many people turned up with family, friends and their pets to enjoy the walk as well.

The first three runners in were Mark Chatham, Ricardo and Lebohang Molebatsi. It was good to see some of our parents in the top 10—including Mr Devine and Mr Bharoochi. Congratulations to Megan Whelan who was the first lady runner across the finish line in 21<sup>st</sup> place.

This year's inter house cross country competition was incorporated in the Annual Fun Run. First place went to Crassula with 3 runners in the Jeppe top 10 - Talia McPherson (1<sup>st</sup>), Tasneem Bharoochi (2<sup>nd</sup>) and Shaylene Clark (6<sup>th</sup>). Gerbera and Disa shared second place with 2 and 3 runners respectively in the Jeppe top 10 – Kasey Walters (3<sup>rd</sup>) and Jady Hovelmeier (6<sup>th</sup>) for Ger-

bera and Masego Ramatsetse (4<sup>th</sup>), Alea Britz (5<sup>th</sup>) and Snamile Mthembu (8<sup>th</sup>) for Disa. Nerine came fourth with 2 runners in the Jeppe top ten -Danica Lotter (9<sup>th</sup>) and Kalista January (10<sup>th</sup>). Protea came fifth with Kezia Reddy the first Protea runner home in 17<sup>th</sup> place and Harveya came 6<sup>th</sup> with Jade Murray who was the first Harveya runner home in 42<sup>nd</sup> place.

The lower grounds were abuzz with entrepreneurial spirit as 57 Grade 9 entrepreneurial businesses were ready and waiting to wow their customers with their wares. and had a large number of items for sale ranging from baskets and dream catchers to scatter cushions, magazine mirrors, pot planters, decorative chalk boards, pencil cases, wind chimes, jewellery, t shirts and

scarves. They were joined by 2 YLed businesses and two Grade 10 stalls.

## OUR MANDELA DAY INITIATIVE

TERM 3

We welcomed Ashleigh Hope Jones nee Magner (class of 2006) to assembly on 26 July. Ashleigh is an Occupational Therapist at the School of Hope. She shared with the girls how she decided on occupational therapy as a career and introduced John, one of the pupils from the school.

John told the girls of some of the challenges he faces and how he needs a new wheelchair as he has outgrown his current chair. It was decided that our coin collection would go towards buying John, who is in

Grade 11, a new wheelchair.

R17 345 was raised through our coin collection. We had a second intervention on 1st September entitled "John's Friday" where girls were encouraged to sacrifice a food item for a day and donate that value towards John's chair. This raised a further R9 560!

We hope to present John with his new wheelchair soon. Thank you to the girls, their parents and families and the community for their generosity.

## RECYCLED FASHION

Our Grade 8 Arts and Culture girls were given the task of designing and manufacturing a couture outfit out of recyclable materials. The girls worked in groups of 4 and came out with some fantastic designs with huge attention to detail—ribbons and bows, pleats, bustles, belts, jackets and creative head-dresses were the order of the day. One girl in each group modeled the group's creation for the grade8s and their class teachers. The top 11 groups were then chosen and modeled their dresses for the entire school.

L-R: Viwe Mnyaka (8a), Sarah Dubazana (8e), Jesse Platt (8e), Katja Clausen (8e), Tshегоfatso Mahibila (8a) and Jade Murray (8a)

L-R: Ofentse Dhlamini (8d), Kristin Thompson (8t), Jenelle Moses (8t), Amanda Mzana (8d) and Kiara Johnston (8d)

Presented by the Ruth First Jeppie Memorial Trust (PBO 930034839)

We held our first major public fundraiser for the Ruth First Jeppie Memorial Scholarship programme on 31 August at the Linder Auditorium.

The programme included something for everyone, ranging from the Academic Festival Overture by Brahms to a spell binding rendition of Mendelssohn's Piano Concerto No. 1 by Dr Elize Kruger. We also heard works by Karl Jenkins and Lloyd-Webber and our three tenors Johan Bester, Albert Bhulana and Lyndon Baron were light on their feet and their notes. The programme included Highland Cathedral and Mull of Kintyre. Our host and conductor for the evening was Richard Cock with the Johannesburg Festival Orchestra and Jeppie Choir and Orchestra as well as wonderful performances by the Jeppie Pipe Band. It was a truly magical evening and the audience did not want to go home.

Congratulations to the Jeppie performers (which included the Marimba Band during the interval) who took part and spent many hours practising for a truly flawless concert. Thank you to the staff who were so actively involved in the concert and in supporting the concert and congratulations to Mr Tait for orchestrating the event.

## ALLAN GRAY ENTREPRENEUR CHALLENGE

Lakshita Padiachey with her #slogan

About 50 girls took part in the Allan Gray Entrepreneurial Challenge (#AGEC17) from 14 August to 22 September. This was an online competition where each week the girls completed micro challenges to improve their entrepreneurial thinking and skills. The challenges (web browser-based game) exposed the girls to useful entrepreneurial mindsets and concepts which were then applied within a variety of real-world scenarios. The challenges looked at the future of the workforce, automation, genetic engineering, the value of empathy, clarity

of communication, handling conflict, the series of systematic processes for effective business building and helping students actively build and improve their own businesses.

Over 3 000 students (Grade 8 – Grade 11) from 77 schools in South Africa took part. Taskeen Laher was a prize-winner in Week 2’s Additive Manufacturing challenge and Humayra Akhalwaya was a prizewinner in Week 4’s ‘understanding people’ challenge when she identified her Geography teacher as a key role model “*My Geography*

*teacher pays attention to detail by taking note of individual students' capabilities and teaching them accordingly. Paying closer attention to detail within social settings will help me strengthen my relationships...*”

Although the final results are not out yet, our school was sitting around the Top 10 position with 2 of the girls in the Top 100 of the leaderboard. Thank you to Miss Goncalves and Mrs Bloem for encouraging the Grade 11s to push through their weekly challenges.

## 100+ Club

The Centenary Fund or development fund aims to raise monies towards infrastructure. For example – building a Pedestrian Bridge; building a new academic block with: Science labs, Language labs, Drama studio and the building of an Auditorium.

The 100+ Club is a vehicle which enables Alumni, Jeppe friends & fans to donate a R100+ a month towards the development of capital projects. If we are able to sign up 1000 members a year we will raise R1, 2 million in that year.

The Centenary Fund hopes to develop the education facilities for the next 100 years. For more information contact Mrs Schroder on sara@jeppegirls.co.za

# HERITAGE DAY – “AFRICAN DREAM” – HEART FOR AFRICA

*“In my African Dream, there’s a new tomorrow, a dream to follow. All I want is for our heartbeats to be beating just as one” – Vicky Sampson*

This year, during Heritage month, the Councillors chose to look at the rich heritage which exists in our continent. To celebrate African heritage, each girl was encouraged to adopt an African country for the day. They were given a white T-shirt to create a design that incorporated the theme inspired by Vicky Sampson’s song which was sung by Nandi Zulu during the major Production, Listen. The designs included the values of the people from the adopted country, the proverbs or idioms from the adopted country and the adopted country’s African Dream with a heart. On Friday, 22 September the school hall was transformed into an African continent as our hearts beat to the rhythm of unity. In Assembly, Ntsakisi Ntsekhe gave an inspiring speech on how we can #RedreamAfrica. The Grade 12’s catered for the event and sold boerewors, pap and chakalaka, samoosas, koeksisters, milkart and other South African treats during break. The proceeds went to the Matric Gift Fund. What an unforgettable day, with the lingering fragrance of positive heartbeats and renewed hope for our beloved Africa.
